PRESIDENT'S MESSAGE

"You cannot do a kindness too soon, because you never know how soon it will be too late." Ralph Waldo Emerson

As we slowly return to more normal activities it has been wonderful to greet you at Membership luncheons, picnics, committee meetings, the Retirement Fair and mini golf over the last year. We are now filling in the one big missing link for our organization, MONTE CARLO NIGHT.

This fundraising event was initiated in March of 2012 and continued through March 2019. In 2020 the event was canceled less than a week before it was scheduled to take place due to shut-downs mandated by the Covid pandemic. It had grown during those years to become a major fundraiser supporting Educational Support and Community Services. In 2019 the net proceeds were \$8,639.78! Over the years more than \$59,000 has been raised to support these causes.

The event is returning this year on **June 11** at a new venue. It is being held at **Listrak** in Lititz, a business and facility that hosts social and community events in a number event spaces. The event will mirror previous ones with a variety of excellent food items perfect for grazing, complimentary beverages, and many dessert selections served throughout the evening. There will be basket raffles featuring items donated by local businesses in two value ranges and the exciting number draw-down for a \$3000.00 cash prize!

Ticket sales are limited to 120 plus guests and will be available for sale at the April 3 luncheon and from Board members after that date. Invite your friends and family. You don't want to miss this fun night to benefit a very worthy cause.

RETIREMENT FAIR

LCSR is holding our next Retirement Fair at the Farm and Home Center, located at 1383 Arcadia Road (behind the Honda dealership on Manheim Pike), on Tuesday March 14 from 3:00 until 5:45 PM. All public school personnel considering retirement in the near future should plan to attend to learn about information and benefits they may need for retirement.

Vendors attending include HOP, PSERS, PASR, LCSR, York School Retirees, Lebanon School Retirees, Davis Vision, United Concordia Health plan for dental insurance, PSEA-R, representatives for RECREO and Trispagonis' National Financial Investors. Specific companies listed are endorsed by PASR.

If you know someone who would like to attend to learn more about the benefits of retirement, please have them contact Jean Young at jeanyoung@aol.com before March 13. Pre-registration is requested.

LEADERSHIP OPPORTUNITIES

Nominating Committee

In order to continue our good work in the education community we need volunteers willing to accept some leadership positions within the organization. Most of these positions require only a few hours a month and a commitment to attend 5 Board Meetings and 2 Region Meetings per year. There are manuals describing the duties of each of these offices available at www.PASR.org and current Board Members would be happy to discuss them with you. We currently have openings for **President-Elect** (a two year "training period" under the current president followed by a two year term as president), **Public Relations Committee** (responsible for publicity in the local newspapers, Advertiser and Merchandiser) **Member Benefits Committee** (responsible for keeping our members informed about benefits offered to PASR members), **Newsletter Editor** (responsible for the production of three newsletters, a one page flyer and some postcards each year). Please consider giving of your time and talents to continue our mission.

If interested in more information, please contact Lauren Buchmann at 717-413-5865 or lbuchm9877@aol.com.

Monte Carlo Committee

Organizing our largest fundraising event takes many hands. A core committee met in February to get organized but there are still many open slots! This committee works in the months before the event and also on the day of the event. If you would like to "get involved" contact Marijane Ember (717-648-9296), Julie Meiskey (717-471-1444) or Lauren Buchmann (717-413-5865).

Lancaster-Lebanon Boy Scout After School Program Needs Help

Jean Young, Region 4 Director, was contacted by Patrice Dixon, a former School District of Lancaster Board member, asking that she get the word out about a Boy Scout program in need of help. Patrice works with a program for boys in K-5 and 1st grade in an after school program that brings young boys into scouting. There is funding for people to work in several local school buildings in Lancaster and Lebanon in this after school program. She is particularly interested in retired school personnel as they already have a handle on working with kids!

If you are interested please contact Patrice Dixon, 717-553-4924 or patrice.dixon@scouting.org.

Another Basket Raffle is planned for the April General Membership Meeting & Luncheon. We need members to donate baskets to this worthy cause. Each basket should be valued at a minimum of \$50.00 and display a card describing the contents. Get creative and support SSMHF.

Alzheimer's & Dementia: Understanding and Being Understood

There are few people today whose lives have not been touched by Alzheimer's or another dementia-related disease, yet many people struggle to know what are the best ways to communicate with and understand those who are living with these diseases. In this session, we will review the physical changes that occur in the brains of those living with dementia-related diseases, as well as how these changes impact their thoughts and behaviors. We will outline best practices for improving communication with individuals who have dementia. Finally, the session will provide simple, practical tools for recognizing and responding to the verbal and nonverbal cues and clues these individuals give to us.

Lori L. Dierolf, has been a Human Resources and Staff Education Professional in the long-term care industry for almost thirty years. She is the author of two books, "Set the Course: Best HR Practices for Long-Term Care Leaders" and "Training Your Team for Dementia Care Excellence." She is the President of Open Door Training & Development, where she focuses on leadership development and dementia education. She is also the Vice President of Human Resources for the United Church of Christ Homes, with long-term care communities throughout Central Pennsylvania.

Lori's enthusiastic, interactive training style allows her to connect with her audience and engage learners through real-life examples of her successes and failures. She is a favorite speaker at conferences and workshops throughout the country, and she lives up to her reputation as being a true "Edu-Tainer!"
