

# COMMUNIQUE

Pennsylvania Association of School Retirees

Lancaster County School Retirees

Summer 2025

Mission: "To continue to support education, to serve others in need and to help one another enjoy retirement."

## Monte Carlo

Monte Carlo made a successful return to Millersville's Bolger Conference Center in March. More than one hundred attendees enjoyed delicious hot and cold hors d'oeuvres and decadent desserts throughout the evening. There were 40 baskets and three Mystery Gifts raffled before the final drawing for the \$3000.00 cash prize.

We earned \$3269.64 for educational support and community service. The committee will begin planning for Monte Carlo 2026 in the fall. New members are welcome to join the committee. Look for more information in the fall Communique.

## PASR HOUSE OF DELEGATES

Interested in learning more about PASR? Ready to think about leadership opportunities? Attend the House of Delegates and meet retirees from across the state who are working to help fulfill our mission. LCSR needs three more individuals to serve as delegates.

Please contact Lauren Buchmann before July 5 for more information. A stipend is available from LCSSR to help with expenses and PASR reimburses \$75.00 for each delegate.

Call 717-413-5865 or email questions to LBUCHM9877@aol.com.

## Share PASR/LCSR Mission

Any member who knows of a retiree from 2024 or 2025 PLEASE... invite them to a meeting or an activity. Share with them what we are all about. Share your Communique with the retiree so they can read about who we are. Make them aware of our community involvement and our scholarships and grants available for H.S. seniors and Lanc. Co teachers. Share our website: [thepasr.wixsite.com/lancasterpasr](https://thepasr.wixsite.com/lancasterpasr)

We need your help to become better and attract new members. A personal call and an invitation to one of our activities is the best way to attract new members. Please consider reaching out to a retiree from your district or to a friend or relative who may have recently retired. We thank you in advance for your help.

## PRESIDENT'S MESSAGE

As you enjoy summer and all its opportunities please keep in mind that *LCSR NEEDS YOU!* We will be electing officers at the November Membership meeting including President and Vice President, and installing committee chairs for Member Benefits, Social Services Memorial Fund, Retirement Planning, L/PEC and Educational Support. Each of these is a two year commitment and most require only a few hours a month. Volunteers are needed for each of these positions. In order for our chapter to continue to serve education and retired educators in Lancaster County we must fill these leadership positions. Any Board member would be happy to discuss what these positions involve. Please consider helping to continue our mission.
