

COMMUNIQUÉ

Pennsylvania Association of School Retirees

Lancaster County School Retirees

Mission: "To continue to support education, to serve others in need and to help one another enjoy retirement."

Summer 2022

Dear LCSR Member.

It is quite difficult to write this letter, knowing that each of us has suffered in some way during the past two years as COVID disrupted our lives. After much discussion the Executive Board voted to request that the membership be asked to help us fulfill our mission. That mission is: *To continue to support education, to serve others in need and to help one another enjoy retirement.* For several years our major fundraiser, Monte Carlo Night, had supported our efforts to grant scholarships to graduating seniors entering the field of education, to provide grants to active educators to assist in implementing innovative programs within their schools or classrooms and to provide for small gifts and mailings for our shut-in members. The Monte Carlo event was canceled in 2020 and has not been held in 2021 or 2022 because of COVID restrictions.

Our membership consists of 62% Life members who do not pay annual dues and 38% Annual members who pay annual dues of \$15.00. In this climate of ever increasing costs, our annual income from dues barely covers printing and postage costs for necessary member communications.

When looking at those two areas, community support and administrative costs, the picture looks pretty bleak. For that reason, the Executive Board is requesting that all members, regardless of membership classification, make a one time donation of \$25.00 to help LCSR continue its good work within Lancaster County. Any amount would be appreciated but a minimum of \$25.00 per member would enable us to award scholarships, make grants and continue to serve our most senior members.

As COVID restrictions are relaxed we have begun to resume some of our former activities. Two General Membership luncheons were held at the Eden Resort, a mini golf outing is planned for June, a picnic for September and another General Membership meeting in November. Recreo is sponsoring travel. It is our hope that we will be able to hold Monte Carlo in March 2023. Our goal is to continue to meet the needs of our membership.

Please return the form below with your donation to our Treasurer, Marijane Ember by July 1, 2022.

Lauren Buchmann, President

Chapter Donation to Benefit Educational Support and Social Services

Name _____ Year Retired _____ Amount _____
